RE: Settlement of Debt

To this point you have refused to resolve your balance with **National Opportunities** . Your refusal to pay has left us no alternative but to assume that you delivered your authorization with intent to defraud and may proceed with allowable remedies. However, we want to offer you the opportunity to settle your account and avoid this action. I am authorized to release you from all responsibilities in regard to this debt for the settlement amount referenced above.

This payment must be in our office on or before 9/10/2010 to satisfy the balance in full, otherwise this offer will be null and void.

To take advantage of the settlement offer, contact me at 1-866-628-6190. Be advised if you do not resolve this matter now, you may be subject to additional statutory fees including court costs and attorney's fees.

Sincerely,

Collection Manager
