Dear Mrs. ██████████

This letter serves as confirmation that American General Finance will accept less than the full balance to settle with you on the above referenced account. This settlement offer will be accepted on the current balance and will relinquish you of further responsibility regarding this debt. **This offer is contingent on the settlement amount being received in our office in by the specified due date.**

Upon clearance of funds, the debt will be satisfied and the credit bureau will be notified to report this account as "settled in full". Failure to comply with said agreement forfeits the settlement offer and the entire balance will be pursued.
