OCWEN Streamline Modification TRIAL PERIOD PLAN NOTICE

As previously explained, we are offering the account an opportunity to enter into a Trial Period Plan. This is the first step toward qualifying for more affordable mortgage payments or more manageable terms. It is important all information is read in its entirety so that the actions needed to be taken to successfully complete the Trial Period Plan to permanently modify the account are fully understood.

Make Trial Period Payments

To successfully complete the Trial Period Plan, the Trial Period Plan payments below must be made.

Trial Period Payment Number	Trial Period Payment	Due Date On or Before
1	\$6,635.89	02/01/2018
2	\$6,635.89	03/01/2018
3	\$6,635.89	04/01/2018

When making the Trial Period Plan payments, the following must be complied with:

- o If the account was previously required to remit payments by certified funds, this requirement extends through the Trial Period Plan. Certified funds are defined as: money orders, cashier's checks, or personal checks certified by a local bank.
- o The amount of the "Trial Period" payment must be sent as provided for under the Trial Period Plan, instead of, not in addition to, the normal monthly mortgage payment.

Trial Period Plan Payments should be sent using one of the approved payment methods detailed on the *Payment Remittance Information* page inserted later in this package.

Time is of the Essence

If there is a failure to make the First Trial Period Plan payment by 02/01/2018, and we do not receive the payment by the last day of the month in which it is due, this offer will be revoked and we may refer the account to foreclosure; or if the account has been referred to foreclosure, foreclosure proceedings may continue and a foreclosure sale may occur.

If there are questions about the Trial Period Plan or permanent modification requirements, please call the account Relationship Manager, Rajesh W D'souza, toll-free at 800.746.2936. We are available Monday through Friday 8:00 am to 8:00 pm ET.

Additional Trial Period Plan Information:

- It is important that the *Streamline Modification Frequently Asked Questions* and *Additional Legal Disclosures* information attached is reviewed thoroughly.
